TOP SPOT COMMUNICATION PVT LTD

SINCE 2009

Greetings from TOP SPOT !!

TOP SPOT Communication is a leading auto branding company in India. We have 13 years of experience in the field of auto branding. We have been into the auto top branding since 2009 and worked with major corporate companies across India in different segments. Promising to hand over 100% Guaranteed Auto Branding services, till date we have served more than 500+ clients and executed every project with due diligence measurable outputs. We pride ourselves to be one of the best Auto branding companies in India with a large scale of execution & production of auto tops.

About Auto Branding / Advertising

Auto hood branding (Brand coverage end-to-end on hood).
Auto ads are available for economical rates than hoardings, billboard bus, and metro ad media.
Auto ads works as a stand-alone medium and as part of a large media campaign.
Auto-rickshaws give direct access to areas where advertising is not possible, restricted, or just too expensive
Auto ads provide your advertisement a motion visibility to your brand for at least 17 hours a day.
An average viewership of 5000 per Auto rickshaw.
Auto rickshaw travels at least 150 kilometres per day.

REGULAR AUTO BRANDING

Regular Auto Branding space covers 3 sides of the auto with digital print on Rexine with black hood on the top side.

SINCE 2009

FULL TOP AUTO BRANDING

Full Auto Top Branding space covers back, sides & with extra branding space on top with digital print on Rexine.
Brand coverage end-to-end on hood

BENEFITS/ADVANTAGES

- Cost Efficiency for Marketing media
- Brand Value for business
- Mobile medium for marketing
- Highly penetrative into a large segment of market.
- Long term visibility
- Durability
- Brand recognition
- Brand awareness

RURAL AUTO TOP BRANDING (5 SEATER AUTO)

we are the starters for the 5 seater branding in Rural area auto branding which is the most responsive marketing strategy in the rural segment because it is the only mode of transportation for the local commuters with respect to its economic and functional characteristics which helps us to ease our brand very easy.
Auto Branding space covers 2 sides of the & Back drop with Flap which substitutes the folding of the back drop with digital print on Rexine (Top Side Branding can be done) with black hood on the top side.

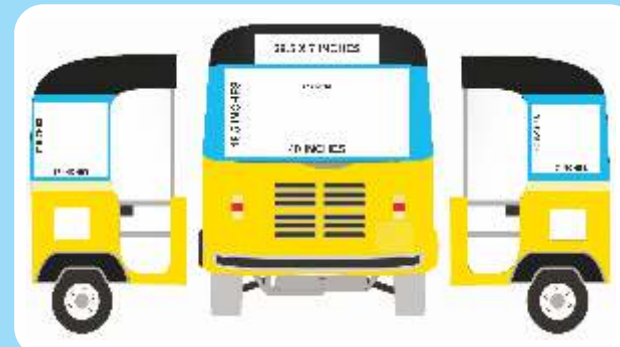

PRODUCTION UNIT

TOPS POT IN-HOUSE manufacturing unit is having skilled and experienced masters with the production capacity of 350 Auto Tops per day with the quality stitching and perfection. Every state will have different sizes hence we are confident that our top size is perfect and fits in without any difficulty. we are the starters for the 5 seater branding in Rural area.

PARCEL Division - As we work Pan India we supply the tops from Hyderabad along with team as we don't take any local support from the respective places for this activity we have a separate division who takes care of the parcel service across India.

TOP SPOT IN-HOUSE mounting team is well experienced who are trained and friendly with auto drivers and having ability to coordinate with the reporting team at the time of mounting. The team take cares of the driver relation and takes their contact information and gives the data which we submit along with the photograph end of the activity. we have a capacity of 300 tops mounting in a day.

Beside Image helps you with the dimensions accordingly to make your company creative and share with us in PDF or CDR format.
